## Board of Directors Recruitment

Summer 2023

**In preparation for the Q3 meeting, the ACN Board requests that all interested persons submit a letter of intent to the ACN Board of Directors no later than September 30, 2023.** Application materials should be sent to [info@animalcarenow.org](mailto:info@animalcarenow.org) and follow the prompts below. These letters will be sent to the current Board for review before the Q3 meeting (to be scheduled during the final week of September).

**About ACN:** Animal Care Now, Inc. is a 501c3 nonprofit organization founded in 2015. The primary mission is to provide emergency funding for animals in distress. ACN accomplishes this goal by offering Veterinary Grants where individuals or rescues with a specific animal in need of veterinary care apply. Upon review and approval by the Executive Director, funding is allocated directly to the treating veterinarian. A pilot version of this program during Q1 granted 22 animals funding for life-saving veterinary care; recipients include 13 cats, 5 dogs, and 4 birds. ACN is a direct support organization; ACN does not operate a rescue, shelter, or foster network. At no time are any animals in ACN's custody.

### Guiding principles:

- ④ Provide financial assistance so that animals receive the veterinary care they need
- ④ Guarantee complete transparency, including open access to ACN budget and activities
- ④ Diversify grant recipients; encourage cross-agency and cross-organization collaboration and dialogue

**Board of Directors:** ACN Board of Directors consists of 4 to 12 officers. ACN's goal is to find officers with a solid commitment to ACN's guiding principles who are committed to helping the organization fundraise and develop our Veterinary Grant program.

Officers are expected to attend one quarterly meeting (usually held on Zoom and always scheduled with everyone's availability in mind); meetings are approximately one hour each. Beyond this requirement, individual time commitments vary by officer.

New officers shall serve a minimum of one year as non-director officers. After serving for one year, officers may submit a letter of intent to run for a director position. Designation as an officer or director shall become effective only after a vote at a Board meeting.

**Applicants should submit two documents:** Submissions must be emailed to [info@animalcarenow.org](mailto:info@animalcarenow.org) no later than September 9, 2023.

1. A completed questionnaire (attached)
2. A letter of intent (prompts below)

**Letters of intent:** All interested persons should carefully review the information contained herein and review ACN's website and social media accounts. Applicants are encouraged to review our bylaws, corporate documents, minutes from ACN's Q1 meeting, or any other information they deem applicable, if available. Please submit information requests to [info@animalcarenow.org](mailto:info@animalcarenow.org) to make information requests.

A letter of intent should include the following information and any other details the applicant would like the Board to consider during their review.

- ④ Why are you interested in becoming a Board member of Animal Care Now?
  - What do you know about ACN?
  - What experience do you have that is related to our mission? In other words, what would make you a passionate supporter of ACN's mission?
  - What qualities make a great board member?
  -
- ④ Tell us a bit about yourself: What would make you an outstanding board member?
  - What is your background? (education and/or work experience)
  - What fundraising experience do you have? Please share some ideas you have to help increase ACN's fundraising efforts.
  - What connections or contacts can you contribute? What other resources/connections/skills can you contribute?
  - How much time will you be able to contribute monthly?
  - What motivates you?
